

Minimize double bookings with Nassau OOGP and 4PatientCare

“Patients find it easy to book appointments 24/7 using the 4PatientCare appointment scheduling link on our website. The best part is 4PatientCare syncs with our PMS in near-real time, drastically reducing double bookings.” — **Dr. Falk, ReVision Eye Care LLC**

Our web scheduling solution is an integral part of our Patient Engagement Platform, syncing with your PMS to minimize double bookings and help you:

- Create a more seamless appointment booking experience
- Boost patient satisfaction
- Minimize scheduling headaches for your staff

As a Nassau OOGP member and new 4PatientCare customer, you'll receive 10% off our Patient Engagement Platform plus 50% off installation.*

*Rate applies to up to two providers per practice
